Year Six Fundraiser

Year Six have been extremely enterprising, planning and running an afternoon event to help raise money for a new school trim trail.

This afternoon, the sun shone as children from across school joined in the fun and activities on offer.

We will let you know how much they raised after it has all been counted!

Two teams had a special mention in assembly this morning, for their ability to work as a team or for their independence and drive. Well done to each and every one of you for the build up to and the success of today. We are very proud of you.

Congratulations to all of you for running 10 or 25 miles at the 'Golden Mile' Club

If your child would like to join the running club, it is free. They just need to pick a permission form up from Mr Brough.

They need to be in their PE kit at the KS2 pupil gate at 8:20am on a Wednesday morning. Remember to bring a drink if you would like one.

KS1 children must have an adult running with them but KS2 can run unsupervised.

Well done girls for your competition entry this term on being 'open-minded'.

Their 'prize' is to be Headteacher and Deputy Head for the day.

Each 1/2 term, we focus on a different school value in our assemblies., to teach spiritual, social, moral and cultural development.

Next term we will be focusing on 'Peace'.

Living and Learning at Herbert Strutt

Year 2 have been inspired to create by the painting, 'A shipwreck in stormy seas', by Claude Joseph Vernet. They have used different mediums to express themselves, as well as composing and performing music.

Year 1 have been inspired by the painting, 'The Tiger,' by artist, Henri Rousseau this term. The book, 'A Tiger came to tea', ended with a tiger coming to their tea party and they have used art and technology skills to create this half term.
